## Helping Hands - Ours

### The Great Annual Fun Club Picnic - 7/ 26

You will remember all the fun Larry and Susie organized last year? They're at it again. This coming **Saturday, July 26**, join the Oaky Doaks for a leisurely, entertaining, enjoyable, mid-day jollification event as only the Oaky Doaks can do.

We'll be coming together at Oregon City's Hillendale Park picnic shelter. Enjoy the delicious foods of our club **potluck** and then thrill to the death-defying and challenging **games** our merry-making meisters, Larry and Susie, have planned for us. We'll end the picnic with some open air **square dancing**. For more info, or to volunteer to help setup at 9:00 am, contact Angie (503-830-4527).

The picnic starts at **10:00 am**. We'll be eating about 11 am. And we should be done mid-afternoon. Your entire family and friends are invited too... having fun shouldn't be limited to just the Oaky Doaks! All in all, a great time to be had in just a few hours.

**Combined Members & Board Meeting - Tuesday July 29 at 6:00 pm at Angie Clark's home (1774 Christy Court, West Linn, 97068)**

We'll take a look back at the past year and then be **making plans together** for the coming year. Dances. Social Events. What members would like to see happen. How

we'll make it all come together. Where we're at. Where we're going to be. There'll be **Good Food Too!** Angie'll be cooking burgers. **Potluck sides, salads and desserts** from members.

Come with your calendar and ideas on how to help support our club. See you there for a nice social time together and strengthening the foundation of the Oaky Doaks.

-  Wouldn't it be wonderful if all the serious problems in life came when you were 17 -- just when you knew everything?
-  It's the Garden of Eden and a fig leaf is slowly wafting down from a tree. Eve says: "Look, Adam. The Invisible Man."
-  There is absolutely no truth to the rumor that the Hilton chain is planning on buying the Leaning Tower of Pisa, converting it into a hotel and renaming it: The Tiltin' Hilton.
-  Symptoms of the modern world: a mother is pushing a shopping cart down the aisles of supermarket and her 5 year old is scouting 10 feet in advance. Suddenly he grabs a package, runs back and asks if they can buy it. "No," the mother says, "That has to be cooked".
-  Customer Service Promise: If not completely satisfied, return the unused portion of your purchase and we'll refund the unused portion of your money.
